

S. Internal Security
Subcommittee

12 April 1955

Memorandum for: Chief of Operations/DDP

Subject: Statement of John W. Powell before
Senate Internal Security Subcommittee.

1. There is attached herewith a copy of a statement made to the Senate Internal Security Subcommittee by John W. Powell regarding his alleged contact by CIA.

2. The statement is undated, but the internal evidence from the complete statement which Powell prepared would indicate that it was written immediately prior to September 15, 1954 after Powell was subpoenaed to appear before the Subcommittee. He prepared a lengthy statement, of which this is an extract, but I do not believe he was allowed to submit it until sometime after his appearance.
